League holds barbecue

BELLE GLADE — The Tri-City League consisting of South Bay, Paahokee and Belle Glade hosted the Palm Beach County Municipal League at the 12th Politicians' Barbecue Friday, December 18.

About 250 representatives from Palm Beach governments, including municipalities and agencies, converged upon the Belle Glade Marina to take part in the delicacies of fried Okeechobee catfish, barbecued ribs, corn on the cob and drinks.

United States Representative Dan Mica sent a representative from Washington D.C.

A country-rock band, Southern Knights, donated their time to perform for the crowd.

The Tri-Cities League hosts the cook-out every year in an effort to create goodwill for the Glades among the coastal based powers.

PAHOKEE COUNCILMAN HUGO RAINERI quenches his thirst at the barbecue.

2nd inmate surrenders

BELLE GLADE — A second inmate who escaped from the Palm Beach County Jail last week surrendered to authorities Friday, Dec. 18, after his family talked him into giving himself up.

Harold B. Green, 18, was driven to the jail by his grandmother, who

drove to Miami to pick him up at his mother's home earlier Friday, said Detective Cliff Simons.

Green was being held in the county jail on burglary charges.

Andre Pierre Gedues, 54, of Osceola Center was charged Friday

with aiding in the escape of the four prisoners by driving them to West Palm Beach after the escape.

Gedues was released on a \$1,000 bond.

Bobby Keller, 24, also of Belle Glade, turned himself in Wednesday,

Dec. 16. Still at large are Leon Livingston Brown, 47, of Hollywood and James Bryan Williams, 22, of Belle Glade.

The four men, escaped from the jail by removing two bars out of a second-story window.

Grand shopping winner chosen

PAHOKEE — Fifteen year old LaTrell Banks is the grand winner in the Paahokee Chamber of Commerce Second Annual Shop At Home contest.

Miss Banks, a sophomore at Paahokee High School, was selected the grand winner from a field of approximately 500 entries, said Diane Hall, vice-president of the Chamber of Com-

Drug suspects rounded up in sting

A six-month undercover drug investigation in Hendry County culminated during the early morning hours of Monday, Dec. 21, with what is believed the largest drug bust in Florida history according to Sheriff Bob Durkis.

The undercover sting, dubbed "Operation Hayride," began in July and was aimed at alleged street pushers. The investigation started with the help of two undercover agents from another law enforcement agency.

"This whole department and outside agencies worked through the night. It went smooth 'no one tried to resist arrest,'" Durkis said of the operation.

By Tuesday afternoon, 57 people had been nabbed in the sting, including four juveniles and three people who were apprehended after the sweep began. Of the 62 people the sheriff had warrants for, seven, including three from Clewiston and four from LaBelle, had not been

apprehended by Tuesday afternoon, according to spokesman from the HCSD.

Of those arrested, 23 were from LaBelle, while 34 were from Clewiston. Charges against the suspect range from sale of marijuana, methamphetamine and cocaine, with marijuana the predominant illegal substance. Miss Banks said she was "surprised" and could not "believe Diane Hall, when she called and said she (Miss Banks) had won."

None of the deputies knew the undercover agent was in town, and few people knew the arrests were coming off, the sheriff said.

In fact, besides Durkis, only two other sheriff's department employees knew of the investigation. Lt. Hugh Smith of the HCSD, was the contact man in Clewiston, while Lt. Bobby Kelley, chief of the Criminal Investigation Division, were aware of the operation.

LaTrell, the president of the sophomore class at Paahokee High School is the daughter of Rev. and Mrs. Samuel Banks.

Miss Banks joins three other winners in the Chamber Shop At Home Contest. Mrs. Jaunita Hanks won the first week and received \$25. Mrs. Barbara Freeman, a cafeteria

Smith would fly evidence up to the Tampa Crime Lab, while Kelley was responsible for much of the legwork, the sheriff said.

Two of the people, Clewiston residents Cy Owens and Sandra Murris, were arrested after deputies discovered marijuana on a houseboat docked in the Clewiston Rim Canal near a two-story houseboat where deputies were making arrests. Murris and Owens were charged with a misdemeanor, possession of a controlled substance.

Both boats, and nine vehicles were confiscated during the sweep.

Another man, Tim Barber of Clewiston, was charged with a misdemeanor when lawmen found him at the house of a person who had a warrant out on him.

Bail for the suspects ranged from \$2,500 to \$50,000. While four juveniles were arrested,

Temperature plunges

By JEFF BROWN

BELLE GLADE — For the second consecutive weekend, temperatures in the Glades plunged to sub-freezing levels, leaving many area vegetable and sugar cane growers wary of things to come.

Most crops apparently suffered incidental damage, according to many local farmers.

Charles Wilson, assistant general manager of South Bay Growers, reported that although the leafy crops, such as lettuce and celery, incurred heavy icing, a speedy thaw out probably helped prevent much damage.

Most of the vegetables weathered the weather with little damage with a few exceptions.

"We incurred a loss something to the effect of 30 acres of peppers," said Wilson.

Vinegar Bend Farms Farm Manager Pat Murphy said the company's lettuce was not hit too badly, but the sugar cane did suffer some damage.

"I'm sure there was some terminal bud damage on the cane," said Murphy. "I'm not sure about the lettuce, but the lettuce growers said they've come through in good shape."

"At this point in time, we hope it stays cool. Hot weather would cause the damaged buds (on the cane stalks) to transfer down the stalk. That would damage the rest of the stalks" he said.

Vinegar Bend is attempting to harvest the damaged buds now before they move down the stalks, he said. The damaged buds are still salvagable, it is the harm they can inflict to the rest of the plant that concerns the growers.

Sugar cane may have been damaged beyond the point of salvation, he said.

Charles Schiele of the Florida Sugar cane Growers Co-operative said most of the member growers experienced no damage at all.

Most of the growers expressed concern that temperatures fell to sub-freezing levels so early in the season.

"When it fell to 25 or 28 degrees one night," said Wilson. "And yesterday (Monday, Dec. 21) was the first day of winter, am I right? That bothers us some."

"We are always concerned about the weather," said Schiele. "But freezes are part of this area. We are more concerned about the water."

some suspects are in their 60s.

Although the operation was widespread, it was financed with funds derived from confiscated drug equipment and airplanes, Durkis said. Body bugs and night vision equipment were purchased from the confiscated equipment, and money to purchase the \$5,000-\$6,000 worth of drugs and to pay for the undercover agents also came from that source.

"Without the equipment, we couldn't make the cases," Durkis said.

"It was easier than buying shoes. It was very simple," said one of the investigators.

Each week, the purchased drugs were sent to the Tampa Crime Lab for analysis. An average of \$50 worth of controlled substances were allegedly purchased from each suspect, the undercover agent said.

27 to die on road

TALLAHASSEE — It is predicted by the Florida Highway Patrol that 27 people will die in traffic crashes during the New Year's holiday period unless drivers change their way of operating their motor vehicles.

The official 78-hour holiday period begins at 6:00 p.m. Thursday, December 31, 1981 and ends at midnight, Sunday, January 3, 1982.

Colonel Eldridge Beach, director of the Patrol said, "During the 78-hours of the 1981 New Year's holiday period, 31 people died in traffic crashes."

"Careless driving led in contributing causes with six, and drinking was second with five. Fifteen drivers and twelve pedestrians died in the 1980 period. All drivers had seat belts but none were wearing them."

"Why not make the most important New Year's resolution of them all to be alive next New Year's Day by improving your knowledge of road rules and practicing them every day of the coming year," concluded Colonel Beach.

A marijuana farm was also allegedly discovered during the operation.

Both agents had been living and working in Hendry County since July, and had collected information pertaining to alleged street pushers, Durkin added.

The two agents used by the local department have lost two cases out of 1,000 they have worked, the agents said.

"This (Operation Hayride) will slow it down (drug dealing), but you can still go out there and buy it—but not to the extent you once could," the undercover agent said.

The local sheriff's office collected a large amount of intelligence from the operation, but what Durkin described as "invaluable information" was also obtained.

All suspects were Hendry County residents, Durkin said.

Assisting Hendry County deputies in the roundup were agents of the State Attorney's office, the Florida Highway Patrol, the Game and Fresh Water Fish Commission and the Clewiston Police Department.

Southern Bell expects busy Christmas

"Ring out, wild bells, to the wild sky." Alfred Tennyson

And ring out they will this Friday. Southern Bell anticipates a record number of long distance phone calls this Christmas.

Southern Bell, in anticipation of a record breaking volume, is urging its customers to place their calls to far away friends and relatives on Christmas Eve, according to Bob White, the company's local manager.

According to White, there will be a 35 per cent discount on long distance calls placed between 5 and 11 p.m. Thursday, Dec. 24.

Calls placed between 11 p.m. and 8 a.m. will be reduced by 60 per cent.

Calls placed on Christmas between 8 a.m. and 11 p.m. will be reduced by 35 per cent. The 60 per cent discount will go into effect again at 11 p.m. December 25, and will stay in effect until 5 p.m. Sunday, December 27, according to White.

White also offered several other calling tips for the holidays:

If possible, place your call on Christmas Eve, "just after seven," and help ease the rush, "or call 'I have a better chance of getting through.'

"We expect this year's long distance Christmas calling volume to break all previous records," said White. "Our Florida circuits will be loaded with Christmas greetings being exchanged between our

customers and people all over the world."

The best calling periods on Christmas day will be 8 to 10 a.m. and 10 to 11 p.m.

The busiest hours will be noon to 2 p.m. and 7 to 9 p.m.

"While most calls will get through without difficulty, there may be times on Christmas Eve, mornings and night when some calls will be delayed because of busy circuits," said White. "The real challenge for Southern Bell in handling the Christmas calling surge is coping with the different calling pattern.

The average holiday call lasts twice as long as the average business day call and goes to more rural and suburban areas rather than to urban centers."

Call direct whenever possible to save time and money. Domestic direct dialed rates, no matter what time of day, are lower than operator-assisted calls.

Have telephone numbers for both domestic and international calls available ahead of time. If it is necessary to call directory assistance, do so before the holiday.

Determine if your telephone is equipped for international direct distance dialing. Many customers can now dial their own international calls to 80 foreign countries.

White estimated that Floridians will make over 1.7 million calls, a 12.6 percent increase over the 1980 Christmas season. South Florida residents are expected to make nearly 435,000 of that total.

Cloud seeding project helped

The cloud seeding project undertaken by the South Florida Water Management District this August and September contributed an estimated 41,000 acre-feet of water to Lake Okeechobee, enough to supply a city of 200,000 people with water for a full year.

Cloud Seeding Program Manager Stanley Winn presented these findings to the District Governing Board Thursday at its workshop session.

The results were compiled by comparing the dates and times of the cloud seeding missions with data including radar pictures of cloud development and precipitation records for those same dates and times. Winn estimates that 254,000 acre-feet, or 8.7 percent of the total rainfall in the project area during August and September can be attributed to cloud seeding. An acre-foot of water is the amount of water required to cover one acre to a depth of one foot, or about 326,000 gallons of water.

The cloud seeding program was conducted on 39 days during the two-month period over a 2.5 million acre area immediately north of Lake Okeechobee. Although much of the 2.9 million acre-feet of precipitation that fell in the project area in August and September was absorbed into the ground, about 41,000 acre-feet eventually flowed south to Lake Okeechobee.

Winn said, however, that the promising results of the cloud seeding project should not lead to the conclusion that cloud seeding is a panacea for the current or future droughts. Rather, he said, it is "only one of a number of water management tools that should be made available for drought alleviation."

The Governing Board will receive a more detailed report on cloud seeding at its February meeting.

Restricted operation set for locks

JACKSONVILLE — The W. P. Franklin Lock at Fort Myers will be placed on restricted operation from Dec. 21 until further notice. Col. Alton B. Devereux Jr., Jacksonville District Engineer, U. S. Army Corps of Engineers, announced Dec. 17. Lockages will be made every four hours each day, at 6 and 10 a.m.

and at 2, 6 and 10 p.m. Increased salinity in public potable water supplies caused by low water levels is the reason cited by the engineer for the restricted lock schedule. Lake Okeechobee's water stage was 11.13 feet Dec. 17. Based on this stage, controlling depth in the St. Lucie Canal east of the Port

Glades business review

South Bay Honda has new ownership

SOUTH BAY — The Glade's Honda Center, located on route 27 in South Bay since 1978, has changed ownership.

Larry M. McMillan took over the store November 1.

McMillan worked for the corporation he bought the store from for 16 years. For the past year and a half, he

had managed the South Bay center.

"I just got tired of working for somebody," said McMillan. "After 16 years, I figured this was the way to do it."

The shop carries a complete line of Honda products including motorcycles, all terrain cycles, generators, and outboard motors.

The three wheel, all

terrain cycles seem to be the best seller, according to McMillan.

He said he thinks the many uses ATC's can be put to, including as transportation on farms, explains their popularity.

Outboard motors, perhaps surprisingly, don't sell too well in the Lake Okeechobee area. Most of the people interested in

boating here look for bigger boats and motors, and Honda only handles seven and a half to 10 horsepower motors.

Near the end of the sugar milling season, he expects the electric generators to move more quickly. The foreign cane workers will purchase small electric generators to take home and operate

small televisions or appliances, according to McMillan.

Sitting in the middle of the center is a racing cycle. McMillan said his brother, Wayne, drives it and came in tenth overall in the national racing.

Wayne works in the shop with his brother. There is one other employee.

Are the smaller bikes, such as the 70 cc Passport, popular? According to McMillan, those bikes don't sell too well in the Glades.

They are popular in congested areas, in the Glades, towns are scattered and separated by long stretches of high speed freeways.

McMillan estimates that about 25 per cent of those who buy smaller cycles trade for a bigger one.

The center is open 9 a.m. to 6 p.m. Tuesday through Friday and 9 a.m. to 5 p.m. on Saturday.

Our friends are models of perfection. In appreciation we send thanks and wishes for shining, star-struck holidays.

Yes Virginia, Opinion there is a Santa Claus

The following editorial, which appeared in the New York Sun in 1897 in response to a letter from Virginia O'Hanlon, then eight years old. She wrote the editor to the Sun: "Dear Editor, Some of my little friends say there is no Santa Claus. Papa says, 'If you see it in the Sun it's so.' Please tell me the truth. Is there a Santa Claus?"

Perhaps you would like to read this beautiful story to your youngster on this Christmas eve.

Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age. They do not believe except what they see. They think that nothing can be which is not comprehensible by their little minds.

All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours there is a more insect, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole truth, and knowledge.

Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! How dreary would be the world if there were no Virginians. There would be no child-like faith then, no poetry, no romance to make tolerable this existence. We would have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

Not believe in Santa Claus! You might as well not believe in fairies! You might get your Papa to hire men to watch in all the chimneys on Christmas Eve, and catch Santa Claus, but, even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign there is no Santa Claus.

The most real things in the world are those that neither nature nor man can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they were not there. Nobody can conceive or imagine all the wonders that are unseen and unseeable in the world.

You tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived, could tear apart.

Only faith, fancy, poetry, love, romance, can push aside that curtain of veil and pictrue the supernal beauty and grandeur of the world that all that is real! Ah, Virginia, in all this world there is nothing else more real and abiding.

No Santa Claus! Thank God he lives, and he lives forever. A thousand years from now, he will continue to make glad the heart of childhood.

SGT. ARTHUR L. THOMPSON, a seven year veteran of the Belle Glade Police Department, resigned effective October 6. Larry Thompson who started with the Police Department February 4, 1974, resigned to enter the private sector and is currently operating Larry's Lock and Key Shop. On Dec. 17, Thompson was presented a plaque by D. Bill Mathis, Chief of Police for seven years of dedicated service.

Christmas meaning

On Christmas we celebrate the birth of Jesus Christ. We are not sure He was born on Dec. 25, but that is not the important thing, the important thing is that we as people believe in Christ and God and celebrate as a means of believing in them and their love.

Jesus came into the world at God's appointed time during his short sojourn on earth Jesus fulfilled God's appointments.

He did not travel throughout the then-known world. He only crossed the boundary of the country in which He lived once. He neither had wealth nor influence.

He had little training or education. His relatives were inconspicuous and unimportant. Nothing in His background would indicate that He was to be the greatest leader the world was to know.

When He was a baby He started a kingdom. As a child He puzzled the doctors. As a man He commanded the very course of nature. In His way through life He healed multitudes without medicine and never charged for His service.

No leader the world has ever known has more volunteers. He did this without drafting a single person.

His force affected the world of commerce as no other has ever done. Even today many of the wheels of business stop in His honor every seventh day.

Time has spread almost 2,000 years between

the people who watched his crucifixion and our generation, but He still lives.

Herod could not kill Him. Satan could not defeat Him. Death could not destroy Him. The grave could not hold Him.

Even today, in a time of growing Godlessness, for millions and millions He stands forth upon the highest pinnacle of heavenly glory, proclaimed of God adored by angels, adored by saints, feared by the devil, as the living personal Christ, our Lord and Savior.

When Jesus preached and healed He kept the finest traditions of courtesy, hospitality, honor and dignity. He spoke with compassion, not with defiance.

During His life on earth He paid taxes. He kept the Mosaic law even though He was soon to give the law a different meaning than before His time.

Jesus revealed salvation by preaching that man is not made holy by faith alone or by good works but through the grace of God. This grace of God can only be discouraged through fear and demonstrated by good works.

Jesus served God quietly and with dignity and so did His followers. To be effective the true followers of Christ today must do the same.

Jesus' first concern was not for length of hair, the kind of clothes, the life style but for the spiritual salvation of the world.

This is the religious leader we honor on Christmas. Let us follow Him in love.

BOILER PLATE

Great gridders

It's over. The football season in the Glades is finished.

In Clewiston, the Tigers finally got to play in a state championship football game — one held at Case Field.

For one night, the entire community came together in the pursuit of a common goal.

On the field were the players, oblivious to anything beyond the hotly contested 100 yards of claimed real estate, intent only on putting their athletic ability on the line.

Coaches paced the sidelines, watching the clock, yelling encouragement, trying to find a way to defeat the powerful opponent from Wakulla County.

In the stands were thousands of Clewiston fans, more than had ever watched Clewiston at a single contest before, cheering themselves hoarse.

Many of the fervent supporters had done more than cheer. Some had manned concession stands, arranged transportation and meals for the team, marked and watered the field — even landscaping the end zone.

Others had shown their long-range support for the program by coaching Pop Warner football for years with little recognition. Their reward was in seeing little pro players like Danny Miller and John Benson grow up and go on to play major college football. Some of those little boys, now grown men, were home Friday, watching the 1981 Tigers trying to win the big game.

When they all gathered at Case Field Friday night, they waited badly to see just one more victory. Some had come with blue and gold painted faces and almost all wore blue and gold, the school's colors.

But victory 13 was not to be, at least for this year. On Friday, Dec. 18, Crawfordville-Wakulla was the better team. Play the game some other time and the score might have been the other way around. Everyone agreed that Wakulla was not 24 points better than Clewiston. Those things just happen.

Nothing can take away the loss, but there is little reason for Clewiston fans, coaches or players to feel remorse.

It was a great season for Clewiston, the greatest ever. It was 14 weeks of sometimes astonishing, game-breaking plays which found opponents looking at the short end of the score 12-1.

It was a year when Coach Al Morell turned in perhaps the greatest coaching performance of his career. His young players were only supposed to win five or six games. That only goes to show how expert those pre-season prognosticators are.

Morell said that his 1981 team had the best competitive instinct of any of the Clewiston teams he had coached.

Competitiveness is something that many Glades athletes seem born with.

Take Clewiston and Pahokee for instance. Clewiston beat Pahokee by one point during the season (in overtime). Morell later said that Pahokee and Wakulla were the two best teams that his Tigers played this year.

You have to be competitive when you have that kind of talent in your own backyard.

Christmas came early for Clewiston this year. It was a wonderful season and one to be savored for years to come. There is no real reason to look ahead, but the tendency already is to say, "Wait till next year."

State representatives joined with Luther Jones and Ralph J. Blank, manager of the County Resources and Development in contending that Florida experiments this year in producing kenaf were "very successful" and asked that acreage in this section be increased from 720 acres to 8,000 in 1982.

Construction of a new high school plant was forecast for the New Year '82 by commissioners of the county, Dr. Miller and Sons, Inc., of Pahokee. The three-wing building, which had been delayed by a lack of steel, was then in the early stages of construction.

The record of development, progress and accomplishment within the city and area

during 1951 revealed a big forward step toward attainment of civic goals.

Tech Sgt. James R. Greer was transferred the previous month to Fairbanks, Alaska, to work with the armed forces as Chief Radar Inspector.

Sgt. Junius Harris, member of the 318th Logistical Command, an Army Reserve unit with headquarters in West Palm Beach, was appointed unit personnel sergeant and promoted to master sergeant, according to a news release.

A semi-formal New Year's Eve dance was announced by the Codillion Club at the Municipal Country Club.

THE BELLE GLADE NEWS
DECEMBER 28, 1941

A new industry was blossoming in the Everglades, according to the managing editor of the Glades area paper, it is ideal for growing ramie and the Everglades could become the center of the greatest textile advancement since mechanical conversion of animal and vegetable fibers into cloth.

Sales of U.S. Defense Bonds and Stamps continued to mount in banks and Post Offices throughout the Glades area as a reaction to the entry of America into World War II.

United States Sugar Corporation President Clarence R. Bitting said Americans may have to forgo that third spoonful of sugar in their morning coffee but no actual sugar shortage existed at that time.

Bitting said that even if both the Philippines and Hawaii should be entirely eliminated as supply sources, continental production plus that of Puerto Rico and Cuba, should still provide more than 5.5 million tons — a full year short of normal domestic consumption.

Major John Dulany of Pahokee, chairman of District 4 of the Selective Service Board, announced Dec. 28 was the last date on which the U.S. Navy would accept volunteers. This was the first time in the history of the Navy that men have been

drafted for service.

In spite of the Christmas Holidays, officials of the Pahokee-Canal Point Defense Council continued to work around the clock. There were set-up in committee meetings throughout the week and everything had been done to provide adequate protection in any emergency.

A drive to raise the balance of the funds needed to finance the work of the council, formed to anticipate emergencies in the area, was slated to begin after the first of the year.

THE EVERGLADES NEWS
JANUARY 1, 1932

The Lake Okeechobee region produced and sold from its 1931 fall crop more solid cars of green beans than it ever produced in any previous growing season.

These were produced 2,061 boxes loads in the fall season, compared to 1,528 for the entire 1930-31 season. The yield amounted to two-thirds of the entire national crop.

The Interstate Commerce Commission granted the Florida East Coast railroad a two-year extension, until Jan. 1, 1934, to complete the construction from Chosen to Hialeah.

The project was begun in 1923 and, when finished, ran from Okeechobee to Miami.

Plans for the construction of a new 400-acre prison farm near Belle Glade (known today as Glades Correctional Institution) were announced in Tallahassee by Gov. Doyle Carlton.

Carlton said the plans constituted the first step in the economic program for the new year.

The swing at the Prince Theater was remodeled in order to fit it for the moon lights that were installed, giving a metropolitan appearance to that part of town.

Gators place second

By JEFF BROWN

BELLE GLADE — Gator Coach Richard Schmidt called it a "debacle."

In the beginning, it had all the makings of a good, close game. Glades Day was ahead 15-12 at the end of the first period and opened up to a seven point lead at one point in the second period.

Then Moore Haven started coming back. The Terriers closed the gap and led 32-30 at the end of the half.

It could have gone on that way until the end of the game, the lead see-sawing back and forth until time, or the lack of it, decided the winner.

But something happened between the buzzer that ended the first half and the tip-off that opened the second.

They stopped making baskets. They had plenty of opportunities, but they just couldn't sink the ball regularly enough to do so.

"There were good shots," said Schmidt. "Nothing forced or anything like that. Just a case where they just wouldn't go in. We just went cold and you don't win when you do that."

The Gators shot seven for .34 in the second half, going 20 for 71 in the game.

At the end of the third, it was 42-55 in favor of the Terriers. The Gators had managed to put only 12 points to their score since half time. They would put nine more on in the fourth, while Moore Haven would tack on an additional 19 and go home with the Glades Day Christmas Trophy.

Raul Garcia led the team with 16 points, followed by Andy Fontaine and Jorge Rodriguez with nine a piece. Fontaine also led the team in rebounds with nine and Rodriguez picked up seven.

David Lakatos scored eight points. Scott Meredith scored seven and Oscar Toledo scored two.

The Gators were short one very important player according to Schmidt. Richard Schiele was out with a sprained ankle. Last year, he averaged over 12 points per game and over 11 rebounds per game.

On the Moore Haven side of the fence, four players went into double figures. Billie Gadson, Glen Hyatt and Krennan Thompson each had 13 point games and Eric Holder picked up 12.

The Gators had won the chance to play for the tournament trophy with a victory over the Benjamin Buccaneers Thursday night.

The Gators jumped to an early lead, taking the first period 13-16.

The Buccaneers came back and led at the half, 32-29.

It was the third period that won the game for the Gators.

"They (the Bucs) came on," said Schmidt. "They were cold and Scott scored eight points in that period. Raul (Raul Garcia) scored six."

At the end of the third, the Gators were ahead 53-36, having held the Bucs to just four points that period.

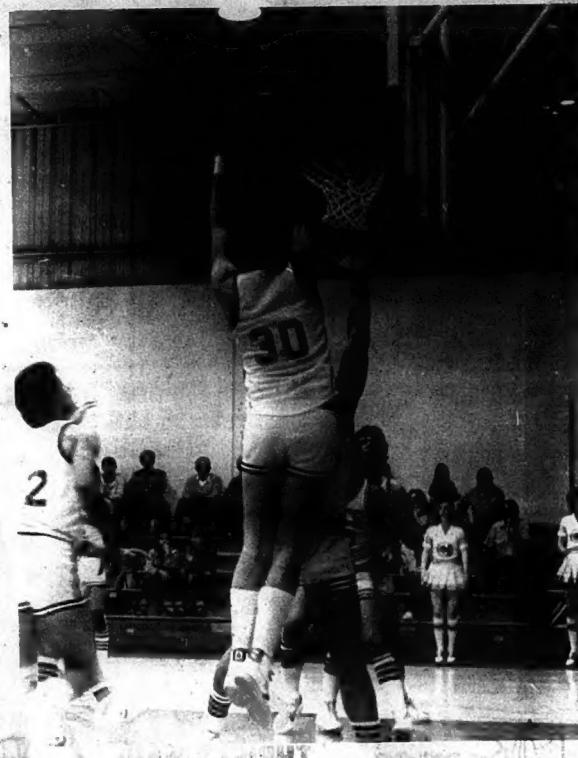

From that point on, the Gators merely kept pace with their opponents and finished the game ahead, 59-49.

Meredith had a 24 point game, followed by Garcia's 14. Jorge Rodriguez and David Lakatos each hit the bucket for nine points and Andy Fontaine scored three.

Rodriguez snagged nine rebounds and Lakatos picked up eight.

The Gators have shot 45 for 143 from the floor for a 31.5 percentage in their first two games.

Raiders place third in tournament

LAKE WORTH — The Glades Central Raiders boys basketball team finished third in the Home Federal Holiday Basketball Classic held at Palm Beach Junior College Dec. 15 through 19.

The Raiders, 7-1 for the season, cruised through the consolation game, as the Raiders had a 36-18 halftime lead, en route to a 58-50 win over Hialeah American! The Miami team dropped its second straight decision after a 3-0 start.

Sophomore Rhonda Weston, a center for the Raiders, hit the net for 18 points and 12 rebounds.

Going into the tournament the Raiders were ranked number one in the Class 3-A sports writers poll.

The Raiders, coached by George Mattes, received \$800 for the participation in the tournament.

The tournament was won by Twin Lakes High School who defeated the Martin County Tigers. The Tigers were ranked the number one 4-A team going into the tournament. Twin Lakes defeated the Tigers by a score of 65-58. The Raiders handed Glades Central their only defeat of the tournament by a score of 67-52 on Friday evening.

Glades Central's Edwin Haynes was named to all the tournament team along with Erick Wilson, the tournament Most Valuable Player. Wilson finished the tourney as high scorer with 52 points, two more than Haynes.

The Raiders got good county wide exposure as the consolation and tournament games were televised live by Channel 12.

The Raiders will participate in the Boca Raton Christmas Tournament Dec. 26 through 30 and will re-start regular season play Jan. 5 with a home game against the Pahokee High Blue Devils.

Crusaders drop to 3-4

By JEFF BROWN

BELLE GLADE — If the game was horseshoes, the Christian Day Crusaders would be invincible.

The Clewiston Tigers beat the Crusaders 60-58 in overtime Tuesday, December 15.

Two days later, Moore Haven beat the Crusaders for the second time this season, 55-45.

Both games were close. All but one of the Crusaders four losses this season were close.

Moore Haven beat them 64-60 a week earlier.

The Pahokee Blue Devils downed the Crusaders in the opening game of the season, 52-77.

When they win, it's usually close. When they win, it's a rout.

Jupiter Christian fell 71-24.

The Crusaders romped over Summitt 77-30.

Friday night, it was Benjamin's turn.

Both teams travelled to the Glades Day Christmas tournament only to lose opening round to the Benjamin Bucs to Glades Day and Belle Glade Christian to Moore Haven.

The losses pitted the two against one another in the consolation game.

When it was over, the Crusaders had salvaged a victory out of the two day tournament by taking the Bucs 62-60.

The victory upped their record to 3-4.

"We just played sloppy ball (against Moore Haven)," said Crusader coach Woody Salvatori. "Both teams just played sloppily. I asked them (the Crusaders) to come out and play team ball tonight and they did. No one was hogging the ball, we played good ball. Team play did it."

Scott Hudson had a 27 point game and recovered 12 rebounds to lead the team in both categories that night.

Three others reached double figures on the night: Alex Morales scored 12, Tavi Garcia 14 and Luis Garcia 16. Cary McKee scored six points and Tracey Shealy and Roly Ramos each had four point games.

Luis Garcia recovered six rebounds and McKee snagged five.

Morales gathered two and Ramos recovered three.

Earlier in the week, the Crusaders had a chance to pull out a close one over Clewiston and lost in the final four seconds of overtime.

The Crusaders ran the score up to 58-57 with four seconds left, when a Crusader foul gave the Tigers the chance to win it from the foul line.

The first foul shot was good, tying the game at 58. The second free throw missed, giving the Crusaders a chance to tack on another period if they had recovered the rebound, or prevented the Tigers from sinking another basket.

The Tigers recovered, however, and put the ball through the hoop as the buzzer sounded.

The basket gave Clewiston a 60-58 victory over the Crusaders.

Luis Garcia led the team with his 17 point game against the Tigers. He was followed by Alex Morales' 11 point performance and Scott Hudson's ten point game. Tavi Garcia just missed double figures with a nine point game and Cary McKee fell short with eight points.

Roly Ramos scored three points.

Luis Garcia also led the team with 17 rebounds. Hudson snatched eight; Morales seven, McKee four; Tavi Garcia three and Ramos two.

Two nights later, Moore Haven won despite Luis Garcia's 16 point game and Hudson's 13 rebounds.

Hudson came in a distant second in the scoring column — picking eight points. Six points a piece were picked up by Tracey Shealy and Morales. Three points belonged to Tavi Garcia and two point performances were put in by Ramos, Robert Echols and McKee.

Tigers pounded 24-0

By JIM JONES

Clewiston's magnificent 1981 football season came to an end Friday, Dec. 18, with a 24-0 loss to Crawfordville-Wakulla in the state championship football game.

Though the score was one-sided, the rest of the game statistics were not.

"It could have gone either way there at one time," said Crawfordville-Wakulla Coach John David Jones, fresh from a champagne dousing from one of his players after the game.

At the start of the playoffs, Jones said that he knew that Clewiston and Wakulla would be the main teams standing in the way of a second straight Class AA title for the senior-dominated War Eagles.

Clewiston, a team loaded with sophomore and junior talent which finished the year with a 12-2 record, fought the far larger War Eagles on even terms throughout most of the game.

At the start of the playoffs, Jones said that he knew that Clewiston and Wakulla would be the main teams standing in the way of a second straight Class AA title for the senior-dominated War Eagles.

Contest. The game was played before more than 3,000 fans, most ever to see a football game at Cane Field.

Critical errors hurt the Tigers and the breaks were with the War Eagles. Final game statistics showed that both teams had earned 13 first downs and that Clewiston had out-rushed the War Eagles 134 to 114 yards. The big difference was in the passing game, where the War Eagles had a 186 to 84 yard advantage.

Wakulla was an excellent football team," Coach Al Morrell said.

"They made some plays that I don't believe they have made all year. They weren't a team that we couldn't have beaten."

Morrell said that Clewiston mistakes gave Wakulla the opportunity to win the game. "We were a good football team that didn't play like one. I feel that it could have gone either way," he said.

Regardless of how well Clewiston

had played, Morrell said he believed Wakulla would have scored at least once and called the War Eagles the best team faced by the Tigers this year.

Clewiston was also a fine team in 1981. "You have to be very, very good to win as many as we did. Either we didn't make mistakes or we overcame them. We did both."

Clewiston opened Friday night's title game against Wakulla much as it did against Dunnellon: like it was going to run the opposition off the field.

Willie Benson returned the opening kickoff to the Clewiston 30-yard line. On the second and third plays from scrimmage, Sammy White and Gerald Johnson, respectively, ran for 15 and 10 yards as the Tigers boomed to mid-field.

Three plays later, Quarterback Robert Holmes passed nine yards to wide receiver Melvin Williams at the Wakulla 38 to give the Tigers

another first down.

Following fullback Ricardo Finley's third yard run to the 35, Clewiston turned to the air game. A second down pass fell incomplete and on third down quarterback Pete Walker was sacked at the 44. On fourth down, Walker punted into the Wakulla end zone.

Taking over at its own 20, Wakulla was stopped on first down after a gain of one by the tackling of defensive back Hal White and linebacker Ralph Brockington.

Two plays later, 201-pound senior running back John Metcalf ran two yards for Wakulla's initial first down of the game.

Strong-armed junior quarterback Mike Smith then went to the air for the first time and connected with a 58 yard wide receiver Jeff Foye for 20 yards and another first down at the Clewiston 44. Wakulla's offense broke down on the next three

WITH defeat apparent, Dino Walker weeps for Clewiston's lost chance for a state football championship.

to the War Eagles with 1:48 left in the first quarter at the Wakulla 46.

With a third down and seven, Smith passed for an apparent touchdown, but a clipping penalty brought the ball back to the 46 yard line and it seemed Clewiston would once again stop the War Eagles.

But back to back 15-yard penalties (face mask and personal foul) against Clewiston gave Wakulla the ball on the Tiger 31 yard line.

With six seconds left in the first quarter, Wakulla halfback Gerald Donaldson scored 81 yards for the game's first score. Parrish Barwick kicked the extra point.

The second quarter began for Clewiston like the first quarter had ended. Unable to gain a first down after fielding the kickoff at the 35, Clewiston went into punt formation.

Two long free kicks sailed over punter Pete Walker's head and Walker fell on the ball at the 22, where Wakulla took over.

Wakulla needed only two plays to score with Smith passing 13 yards to Rouse Piggott with 9:22 left in the first half.

Although down 14-0, Clewiston came back near the end of the first half with one of its strongest scoring threats.

Marvin Dixon had returned a Wakulla punt to the War Eagle 35 yard line, but a roughing the kicker penalty had returned the ball to the War Eagles at midfield.

On first down, Wakulla moved to the Clewiston 45, where tackle Randy Diana recovered a fumble for Clewiston.

After running for short yardage, quarterback Pete Walker passed 20 yards to Melvin Williams at the 14 yard line. With time running out in the first half, Clewiston attempted a 31 yard field goal, but the kick was blocked.

plays, bringing up a punt to the Clewiston 10 yard line.

Once again the Tigers showed that they could move the football against a defense which had recorded nine sacks going into the game.

On first down, fullback Sammy White ran around through tacklers for a gain of nine yards. Two plays later, White's powerful running moved the Tigers to their own 23.

Staying on the ground with the exception of one pass, Clewiston pushed its way to the Wakulla 10 in seven plays before Holmes fumbled in seven plays before Holmes fumbled

Neither team was able to score in the third quarter.

Clewiston started the fourth quarter with another strong drive, carrying from the Tiger 10 to the War Eagle 41. The big play during the drive was Sammy White's 30 yard run to the Clewiston 40.

After stopping Clewiston on fourth down, Wakulla moved 54 yards to the Clewiston 10, but was set back to the 12 on Randy Dixon's tackle of Smith. Wakulla had to settle for a 28 yard Barwick field goal with 7:45 left in the game.

A few minutes later, however, Wakulla had the ball again and moved in for the War Eagles' final score of the game. Smith passed 22 yards to 6 foot 6, 220 pound tight end Edgar Pigott for the touchdown with 1:17 left in the game.

With less than one minute left in the game, Clewiston moved down to the Wakulla 14 yard line before losing its last scoring opportunity on an interception with 18 seconds left. Gerald Johnson had passed 18 yards to Holmes to give the Tigers one of their strongest attacks of the evening.

On the evening, senior fullback Sammy White had Clewiston rushers with 91 yards in 14 carries. Junior fullback Rickey Finkley had 36 yards in seven rushes. Gerald Johnson 12 yards in nine rushes, Melvin Williams 13 yards in one rush, and Hal White four yards in one rush.

Defensively, linebacker Willie Samson led Clewiston with eight tackles, while tackle Wycliffe Lovelace had six, defensive end John Reid had five, and Ralph Brockington and Hal White had four each.

Except for the team's poor shooting record, Schmidt said he is pleased with the team so far.

"They played a good first half," he said after the game. "Moore Haven has played nine games this season. They're sharper. I don't have any complaints."

"I was pleased that physically we hung in there pretty good," he said after the game. "I wasn't totally distressed. Shooting, we went flat as hook."

Raul Garcia is leading the team with 30 points on the season. He is followed by Meredith, whose 24 point game comprises his scoring to date. Rodriguez is the team's third-leading scorer with 18, followed by Lakatos with 17. Fontaine with 12 and Toledo with two.

The team will meet Berean Christian Tuesday, January 5 at home. Until Schmidt will be spending the two week layoff sharpening his team up.

DR. DAVID T. EVANS

EVERGLADES
PRESBYTERIAN
CHURCH

Tomorrow is Christmas, the day celebrated to mark the birth of Jesus Christ. Yet now, more than 1881 years after the event, we have gotten so involved in preparations that we haven't time for the real meaning.

For weeks and even months the frantic preparation has gone on. Mothers have bought gifts for children. Fathers have purchased gifts for children to give to mother. Parents have secured trees to be decorated.

Every merchandising firm has prepared for this season since last spring. Many churches, ministers, and choir directors have planned events for Advent and Christmas Eve and even Christmas Day.

Christmas cards began to arrive in late November to cause the less organized to hurry to buy stamps and cards. Packages have been taken to the post office since early December to insure delivery to faraway states.

The Christmas season is a good time to give parties to pay back all the obligations stored up throughout the year. So the round of parties has begun in earnest and will continue through New Year's Day.

It is not only the season to be jolly, but it is the season of beautiful music. Concert music of the masters ring from every choir loft and organ as well as from records and tapes from home stereo.

In between time, and with hardly time for getting our breath, we visit the church of our choice or inclination. We are reminded of the Divine Peace Invasion of the Child of Bethlehem. We have received the renewed message among thoughts of plans to be with family and friends. The angelic music must fight with our anxious thoughts of having everything ready for the coming of Mom and Dad or Aunt Jane or Jim or Bill and Sally.

History has a way of juggling concepts and blending different facets together. We have combined the Birth of Christ and the announcement of the shepherds with the giving of gifts by the

Wise Men to the new-born King.

Some Christian cultures separate the celebration of the Prince of Peace's birthday and the Epiphany manifestation of Christ to the world (the coming of the Wise Men). These are two distinct and separate events. However, through the years, with the benevolent churchmen of Asia Minor, Saint Nicholas, and the imagination of myth, these two events have almost become one. Nothing will probably change the co-mingling. So let us remember the reason for both happenings.

Tomorrow, therefore, let us take time to remember the real gift. This gift of God, to the world is for those who have nothing and those who have everything. God's precious package to us is the gift of forgiveness so that the life we live may be full, abundant and satisfying to the point we want to share with one and all. God bless you everyone!

Mass services planned

BELLE GLADE-The parish of St. Philip Benizi Catholic Church will hold special Christmas services in Belle Glade and Pahokee.

A midnight mass will be held Thursday, Dec. 24. The mass will be preceded by singing of carols at 11:30.

Masses on Christmas Day will be held at 8 a.m., 10:30 a.m., and noon.

In Pahokee, a mass will be held at 10 p.m. on Christmas Eve and in South Bay, there will also be a mass at 10 p.m.

Rev. Harris to speak

BELLE GLADE-The Rev. Clarence Harris of Belle Glade will be the speaker for the Christmas morning service at 6 a.m. at the New Bethel Missionary Baptist Church.

Rev. Harris is presently attending Lee College in Cleveland, Tenn., where he is majoring in business and a minor in Pastoral Studies.

He is an associate affiliate minister at Pleasant Grove Baptist Church where the Rev. Edward R. Robinson is the pastor.

Rev. Harris is also a member of the Evangelistic Singers in Cleveland. The group has just released their first album "In the Spirit of Love".

The Rev. R.F. Hairstain is the pastor of the New Bethel Missionary Baptist Church and invites the public to come to the Christmas Services.

LIFE: God's Greatest Gift

Babies are really divine. They're life-renewing itself. Babies remind us that life is some living, endearing thing that we will help to bring about.

As the years slip away, we sometimes tend to forget how truly precious life is and what a bittersweet gift it is.

Yesterday is gone. And there's no certain guarantee of tomorrow, but all we really have is today. And we can make the most of today if we think about those words about every morning upon awakening. This is the day which is the Lord's bidden. I wish you a happy day.

Every day of your life is a gift from God. Use it well and worship this way in a spirit of thankfulness and peace.

**EVERGLADES
PRESBYTERIAN
CHURCH**

Tomorrow is Christmas, the day celebrated to mark the birth of Jesus Christ. Yet now more than 1981 years after the event, we have gotten so involved in preparations that we haven't time for the real meaning.

For weeks and even months the frantic preparation has gone on. Mothers have bought gifts for children. Fathers have purchased gifts for children to give to mother. Parents have secured trees to be decorated.

Every merchandising firm has prepared for this season since last spring. Many churches, ministers, and choir directors have planned Christmas services for Advent and Christmas Eve and even Christmas Day.

Christmas cards began to arrive in late November to cause the less organized to hurry to buy stamps and cards. Packages have been taken to the post office since early December to insure delivery to faraway states.

The Christmas season is a good time to give parties to pay back all the obligations stored up throughout the year. So the round of parties has begun in earnest and will continue through New Year's Day.

It is not only the season to be jolly, but it is the season of beautiful music. Concert music of the masters ring from every choir loft and organ as well as from records and tapes from home stereos.

In between time, and with hardly time for getting our breath, we visit the church of our choice or inclination. We are reminded of the Divine Peace Invasion of the Child of Bethlehem. We have received the renewed message among thoughts of plane to be with family and friends. The angels music must fight with our anxious thoughts of having everything ready for the coming of Mom and Dad or Aunt Jane or Jim or Bill and Sally.

History has a way of juggling concepts and blending different facets together. We have combined the Birth of Christ and the announcement to the shepherds with the giving of gifts by the

Wise Men to the newborn King.

Some Christian cultures separate the celebration of the Prince of Peace's birthday and the Epiphany manifestation of Christ to the world (the coming of the Wise Men). These are two distinct and separate events. However, through the years, with the benevolent churchman of Asia Minor, Saint Nicholas, and the imagination of myth, these two events have almost become one. Nothing will probably change the co-mingling. So let us remember the reason for both happenings.

Tomorrow, therefore, let us take time to remember the real gift. This gift of God, to the world is for those who have nothing and those who have everything. God's precious package to us is the gift of forgiveness so that the life we live may be full, abundant and satisfying to the point we want to share with one and all. God bless you everyone!

Mass services planned

BELLE GLADE- The parish of St. Philip Benizi Catholic Church will hold special Christmas services in Belle Glade and Pahokee.

A midnight mass will be held Thursday, Dec. 24. The mass will be preceded by singing of carols at 11:30 p.m.

Masses on Christmas Day will be held at 8 a.m., 10:30 a.m. and noon.

In Pahokee, a mass will be held at 10 p.m. on Christmas Eve and in South Bay, there will also be a mass at 10 p.m.

Rev. Harris to speak

BELLE GLADE-The Rev. Clarence Harris of Belle Glade will be the speaker for the Christmas morning service at 8 a.m. at the New Bethel Missionary Baptist Church.

Rev. Harris is presently attending Lee College in Cleveland, Tenn. where he is majoring in business and a minor in Pastoral Studies. He is an associate affiliate minister at Pleasant Grove Baptist

Church where the Rev. Edward R. Robinson is the pastor.

Rev. Harris is also a member of the Chorale Singers in Cleveland. The group has just released their first album "In the Spirit of Love."

The Rev. R.F. Hirstein III is the pastor of the New Bethel Missionary Baptist Church and invites the public to come to the Christmas Services.

Garden Club gathers for Christmas party

The Belle Glade quarters of Federated Garden Club and Wekiva Camp Grounds, were postponed until a later date. The Christmas lighting contest for City of Belle Glade will be judged by members of the Belle Glade Garden Club and Beautification committees.

The drawing of a quilt, handmade and quilted by members of the club, will be held at the February meeting and Valentine party. Members of clubs to be invited are from Pahokee, Clewiston,

Canal Point, Belle Glade, Chosen, Belle Glade Garden Study, and Moore Haven, which is in District 9. This meeting will be held February 11, 1982.

Visitors were Mrs. Frances Nelms, Mrs. Janice Gorforth, Mrs. Verla Conley and Miss Susie Alford.

Highlight of the evening was when Santa appeared (Susie Alford) and delivered gifts to all from underneath a beautiful

Carving tips simplify holiday meals

Carving the turkey need not
be the ruin of your holiday
meal celebration, according to
Chef Hans Aschbacher of
Lawry's The Prime Rib restaurant
in Chicago.

"Whether you serve turkey
or prime rib," says Chef
Hans, "if you prepare the
meat properly, it's easy to learn
the easy-to-learn carving tips.
Your holiday meal is the
celebration it is meant to be."
Assume he is right.

Trained at Gewerbeschule,
a gourmet cooking institute in
Biel, Switzerland, Chef Hans
has become a master carver.
In addition to his work as a
chef, he currently teaches
cooking and carving classes at
Lawry's The Prime Rib,
where road warriors can learn
how to carve without aches
from rolling carts for more
than seven years in Chicago
and for 43 years in Beverly
Hills, California.

Before you begin carving,
Chef Hans offers these tips on
preparation—tips which will
make the actual carving
easier:

• Fresh turkeys are best,
but frozen ones are easier to
carve. Defrost the turkey in
the refrigerator for two days. Season with salt, pepper and
garlic and baste with pan
juices during roasting. Should
the turkey brown too quickly,
cover with foil tent.

• A 15-pound turkey
should cook 4 hours at 325° F.
Overcooked turkeys are
nearly impossible to carve, so
choose by lifting up from
under the wing, if the juices
run clear, it's done.

• Cooked turkeys should
stand five to 15 minutes
before you begin to slice the
turkey to settle and cool.

• You'll need a broad-blade
knife to cut the meat, a boning
knife to cut through hard
parts such as the backbone
and each tool must be sharp.

Now you're ready to begin
the actual carving.

1. To remove the drumstick,
cut straight down between the
thigh and body (photo #1). Push the leg
outward and use the boning
knife to cut through the
thigh and backbone between
the thigh and backbone.

Second, slice the breast

TO REMOVE the drumstick, cut straight down between the thigh and body with a sharp carving knife. Use a boning knife to cut the joint.

2. SLICING THE BREAST MEAT using long,
thin knife (Photo #1). Don't saw the meat," says
Lawry's Chef Hans, "carve it, as if you're
playing a violin."

3. PRIME RIB IS EASIER to carve if you first
remove the bone. Stand the roast and slice
between the bones and meat, separate-

ing the ribs in a strip.

meat with long, smooth
strokes. Don't saw the
meat, says Chef Hans. You
should carve as if you are

into the breast helps release
the meat.

Remove the wing by press-
ing down on the wing tip, and
then using the boning knife to
sever the extra tendons by cut-
ting toward the basic bone. Wings
can be saved for stockpot
or deviled for serving.

Next, slice the dark meat by
first cutting the joint which
connects the drumstick and
thigh. Holding the drumstick

meat with long, smooth
strokes. Don't saw the
meat, says Chef Hans. You
should carve as if you are
playing the violin" (photo

Now place the roast on the
side from which the ribs have
been removed (photo #4).

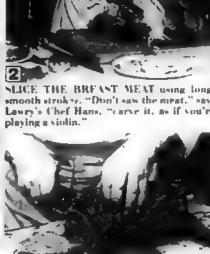

Remember what Lawry's
Chef Hans, "the wind chime" the
blade, the knife does the work.

For prime ribs of beef, Chef
Hans suggests cooking the
prime rib at 325° F. and 350° F. for smaller cuts
so that the meat reaches 140° F.

Recipe for Cinnamon Apple Dumplings

An old-fashioned oven-dinner provider, who loves to dinner. With apples in season, it's time to prepare a baked fruit dumpling to serve with a pretty plaid napkin.

This pie-type dough is rolled one-eighth inch thick and cut into five-inch squares to enclose baking apples. The dough will be tender and flaky when made with lard. Apple dumplings are really good, baked until the dough is browned enough to cover the fruit with scratches.

Prick the top surface of the dough just as you would an apple pie so steam can escape.

Red cinnamon candies add color and spice to both apples and accompanying sauce. The warm dumplings, topped with sauce, provide one of the most heart-warming desserts of the season.

CINNAMON APPLES DUMPLINGS

2 lbs. apples, peeled

4½ cups baking powder

1 cup, soft

1 cup sugar

1 T. red cinnamon candies

1 T. butter or margarine

Sift together flour, baking

powder and salt. Cut in lard until mixture has fine even crumb. Add enough milk to make a soft dough. Knead 30 seconds. Roll out 1/8 inch thickness. Cut into 5-inch squares. Combine apples with cinnamon candies and sugar. Fill centers of biscuit squares

with apple mixture. Dot with butter or margarine. Draw up the corners of the dough to completely cover the apples. Seal edges to seal. Place in greased shallow baking pan and prick the tops of the dumplings. Bake in a moderate oven (375 deg. F.) for 40 to 45 minutes. Yield: 8 dumplings.

CINNAMON SAUCE FOR APPLE DUMPLINGS

1 c. sugar

2 T. cornstarch

2 T. water

2 T. red cinnamon candies

Mix sugar, cornstarch and water in a small saucepan. Add candies, stir until dissolved. Cook, stirring constantly, until slightly thickened, about 20 minutes.

Turkey In The Straw

Have you been curious about the "new-old" clay pot cooking method? The old principle of wrapping meat in wet clay to be cooked over the hot coals has been replaced with a new updated clay pot.

Why does the clay pot cook so successfully? Before placing any ingredients in the clay pot, the bottom must be soaked in water for 10 to 15 minutes. In the oven, the pot slowly releases the moisture in the form of steam. This results in a pot that doesn't have to be watched, cooks quickly, makes meat extremely tender, removes the fat from the meat and does a superb job of blending flavors during the cooking process.

When you are cooking for a large family, it's nice to have a choice of fields or anxious to draw the fragrance and flavors of fall into your city kitchen, this combination of turkey and stuffing is available in a clay pot and available in a clay pot.

From the abundance of fresh turkey parts we are sure to have the fresh meat counter of your supermarket each day, this tasty recipe calls for turkey wings and thighs. As you have no doubt heard, turkey has not only been on the list of popular and best buy foods this year, but it provides the high protein, low calories and cholesterol content of all the other lean meat platters we are looking for.

You may be a novice at cooking in a clay pot, follow the recipe exactly at first. If you are an old hand at cooking, this is a recipe you can easily add or substitute fresh turmeric, nutmeg or whole tomatoes for any of the vegetables listed. Combining fresh turkey parts and the elements of clay cooking will have family or friends looking forward to a good eating.

Let's Celebrate...A Quick & Easy Holiday Dinner.

With your eye on the clock and your hand on the pocketbook, holiday preparation may seem more than you can handle at year. Never fear, however, because up and down the superhighways of America there are many who have made their job a snap. Choose stuffing mixes, canned cranberries and jams, frozen meats and vegetables. They make it easy to balance a meal. And the best part is that they're all reasonably priced.

A golden brown roast turkey will still be the focal point of your feast, and our quick and easy directions will have the meat to roasting with just six minutes of your time. You may choose to stuff the bird, or go with the tradition but find that you get convenience, nutrition, cost savings and healthy dinners in the process.

In addition to the holiday feast, remember that whole turkeys range in size from six to more than 30 pounds, are available frozen or fresh and may be prebasted. If you allow two pounds of turkey per person, you will have plenty for the dinner and time for your favorite side dishes.

If the turkey is frozen, leave in original bag and thaw in refrigerator for 3 to 4 days, (24 hours for each 5 pounds of turkey). Remove from bag, drain water frequently (1/2 hour per pound of turkey), refrigerate or cook turkey as soon as thawed.

For your 6 pound turkey, simply follow these easy steps.

Paper towels wrap from thawed turkey, remove and add meat from body cavities, trim turkey inside and out, dry with paper towel, return legs to back loch or band

Appropriate Roasting Time in 235°F. Oven*		
Weight	Unbasted	Basted
8 to 12 lbs.	3 to 4 hrs.	4 to 5 hrs.
12 to 16 lbs.	3 1/2 to 5 hrs.	4 1/2 to 6 hrs.
14 to 20 lbs.	4 to 6 hrs.	5 1/2 to 7 hrs.
20 to 24 lbs.	5 1/2 to 6 1/2 hrs.	6 1/2 to 7 1/2 hrs.

*Factor affecting roasting times are variations in oven, shape of turkey and degree of browning. These variations make it important to begin checking for doneness about one hour before the end of the recommended roasting time.

Celebrate the holidays with turkey suspended with your favorite holiday foods.

of skin, tick tips of wings "akimbo" back of turkey and cleverly tucked back.

Place turkey breast side up on rack in foil-lined pan. Place a sheet of aluminum foil loosely over turkey to prevent over-browning. Place in oven and roast according to chart. For best results, turn turkey half way through cooking.

Turkey is done when internal temperature reaches 180° to 185°F., thick part of drumstick feels soft when pressed with thumb and fork tongs or drumstick moves easily. Stuffing in a turkey is done at 165°F. to be sufficiently cooked.

Let turkey stand at room temperature for 15 to 30 minutes for easier carving.

Making Three Loaves Of Delicious Whole Wheat Bread Can Be Simple

The results of baking bread are wonderful, but it would be an un-thrifty chore to buy the day's worth of products that would make and knead bread dough with a mixer. This is the bakers' answer to the homemaker that adds the ingredients.

Homesteader's Food Preparation Center not only offers a mixer that will mix and knead the dough for three good-sized loaves of whole wheat bread, it also offers a full-fledged kitchen aid food processor with a built-in stainless steel blade.

All three products operate off a single power cord and have their own up-to-date electronic 10-speed control and both on-off and pulse switches.

There's a big swing today from white to whole wheat bread by nutrition-minded Americans. Here are the directions for the delicious whole wheat loaf shown:

Recipe for Cinnamon Apple Dumplings

An old-fashioned oven dinner provides a welcome finale to dinner. With apples in season, it's timely to prepare a baked fruit dumpling to serve with a pretty pink sauce.

Biscuit-type dough is rolled one-eighth inch thick and cut into five-inch squares to enclose baking apples. The dough will be tender and

flaky when made with lard. Apple dumplings are really glorified baked apples they're made with sliced apples, wrapped in a biscuit blanket. Select apples that have a tart flavor. Among the best are Baldwin, Early Harvest, McIntosh, Roma Beauty, Northern Spy and Winesap varieties.

When drawing the biscuit

squares up to cover the apples, make certain the dough is not enough to cover the fruit with stretching.

Prick the top surface of the dough just as you would an apple pie so steam can escape.

Red cinnamon candies add color and spice to both apples and accompanying sauce. These apple dumplings, topped with sauce, provide one of the most heart-warming desserts of the season.

Turkey In The Straw

Have you been curious about the "new-old" clay pot cookery method? The old principle of wrapping meat in wet clay to be cooked on the hot coals has been replaced with a new updated clay pot.

Why does the clay pot cook so successfully? Before placing the ingredients in the pot, the top and bottom are soaked in water for 10 to 15 minutes. In the oven, the pot slowly releases the moisture of steam. This results in a pot that doesn't have to be heated, cooks quickly, makes meat extremely tender, retains no added fat oil and does a superb job of blending flavors during the cooking process.

Whether you are cooking for a family, a crowd, in a field or anxious to draw the fragrances and flavors of fall into your city kitchen, this combination of turkey and vegetables in a clay pot will do the job.

From the abundance of fresh turkey parts we are seeing, the fresh meat center of the market each day, this tasty recipe calls for turkey wings and thighs. As you may have not yet heard, turkey has recently been removed from the list of plentiful and best buy foods this year, but it provides the high protein, low calories and cholesterol requirements that discerning meal planners are looking for.

You may be surprised at how well this recipe exactly — fine! If you are an old hand at cooking, this is a recipe you can depend on or substitute fresh turnips, zucchini, whole tomatoes for any of the vegetables listed. Combining fresh turkey parts and the adventure of clay cooking will have family or friends looking forward to good eating.

Turkey Harvest Bounty
8 medium potatoes,
unpeeled, washed
and halved

Combine Turkey Harvest Bounty with whole grain bread and get ready for a wholesome, satisfying supper.

8 small boiling onions, or 2 large onions, sliced
6 medium carrots, cut in 2-inch pieces
3 stalks celery, sliced
1/2 cup mushrooms
1/2 cup green peas
4 turkey wings & 2 turkey thighs
(about 4 lbs.)
1 tablespoon fresh chopped parsley
1/2 teaspoon pepper
1/4 teaspoon thyme
1 cup white wine
(turkey or chicken broth can be substituted)
1 tablespoon flour
(optional)

Soak clay cooker in water according to manufacturer's directions. Prepare vegetables

and place in clay cooker. Arrange turkey wings and thighs on top of vegetables. Sprinkle parsley, pepper, salt and thyme over turkey parts. Add white wine. Cover and place in a 350° F. oven. Don't preheat. Turn oven temperature to 425° F. and bake for 60 minutes. Remove lid and bake for an additional 10-15 minutes for final browning. Accumulated liquid can be poured off and thickened with flour, if desired, before serving. Makes 6-8 servings.

If you do not have a clay pot, place turkey wings and thighs in a dutch oven with all other spices and an additional 1/2 cup water. Simmer over low heat for 1 1/2 to 2 hours. Add vegetables and cook for an additional 30 minutes.)

Your family will gobble up these leftover turkey entrees

The three keys to holiday entertaining are good food, good company and a good looking table.

Turkey has traditionally been the focus of the holiday table. And, its popularity is growing. According to Wayne Evans of the National Turkey Foundation, over 663 million pounds of turkey were consumed during last year's holiday season. That's 36 million turkeys!

One dish does double duty

A good looking table is essential when you need one dish which can be focused on in the kitchen and serving on the table is particularly helpful. Glassware falls into this category.

"The beauty of our Amber Cuisine™ Entrees™," says Amy Hamilton, consumer affairs expert for Anchor Hocking Corporation, "is that they are both attractive and practical."

"They are ideal for cooking today's great on-the-holiday table and they can be used for storing and reheating leftovers too."

Leftover turkey recipes

Here are three, easy-to-make, one-dish, leftover turkey recipes.

QUICK TURKEY JUNCH

1 (8 ounce) can chow mein noodles
1 (8 ounce) can water chestnuts, sliced
1 egg
½ cup diced celery
1 cup diced turkey
1 (16-½ ounce) can cream of mushroom soup
½ cup water

Spread ½ cup noodles on the bottom of an 8 inch square, Amber Cuisine™ Entree™, buttered cake dish.

Combine other ingredients; spread over noodles. Sprinkle remaining noodles over the top.

Bake at 350° F. for 30-40 minutes or until bubbly. May take an additional 5-10 minutes at medium high power in a microwave oven.

Serves 4-6.

EASY TURKEY LOAF

WITH 663 MILLION POUNDS OF TURKEY consumed last holiday season, you can bet there were a lot of leftovers. This year, leftover turkey recipes are made easy in Amber Cuisine™ Entrees™ from Anchor Hocking. The same dish that goes in the oven looks great on the table.

1½ TEASPOONS PARSNY FLAKES

½ teaspoon poultry seasoning
2 tablespoons butter, melted

3 cups cubed turkey
½ cup sliced green olives (optional)

Combine all ingredients.

Pour into a 1-quart Amber Cuisine™ Entree™, loaf pan. Bake at 325° F. for 45-50 minutes in a conventional oven or 12-15 minutes at medium power in a microwave oven.

Serves 4-6.

TURKEY SALAD GOURMET

2 cups fresh spinach leaves

2 medium tomatoes, quartered

1 cup cubed turkey

3 tablespoons lemon juice
